

Forensic Criminologist Dr. Laura Pettler is the founder and CEO of Laura Pettler & Associates (LPA) *Death Investigations* located in Monroe, North Carolina. Dr. Pettler holds a bachelor of science degree in pre-professional psychology from Geneva College, a master of science degree in criminal justice specializing in forensic psychology and forensic science from Youngstown State University, a doctor of philosophy degree in criminal justice specializing in criminal justice focused on crime scene staging in intimate partner homicide hot and cold cases from Capella University, 8-years post graduate experience, research, and publication in bullet path and bloodstain pattern analysis and reconstruction in homicide cases, and 9-years postdoctoral experience, research, and publication in crime scene staging dynamics in intimate partner homicide hot and cold cases. Dr. Pettler is the author of the third dissertation in the world on crime scene staging behaviors of crime scene stagers and the author of the first book in the world on crime scene staging dynamics in homicide cases. Dr. Pettler is a North Carolina licensed private investigator, former South Carolina Deputy Coroner, and former North Carolina District Attorney's Investigator where she was the co-founder and director of North Carolina's first and only Crime Scene Reconstruction & Behavioral Analysis Program and its Cold Case Task Force. Dr. Pettler is the inventor and LPA is the manufacturer of The Kaleidoscope System Bullet & Bloodstain Reconstruction system used by law enforcement worldwide sold by 11 distributors across 30 countries. Dr. Pettler is the founder and director of the LPA International Forensics Institute School of Forensic Criminology, a ground and online continuing education center focusing on unique courses not typically found in traditional continuing education catalogs for private investigators, detectives, attorneys, and students. Dr. Pettler is the Forensic Criminologist for internationally syndicated 5-time Emmy Award winning The Dr. Oz Show (Seasons 8, 9, 10, pending 11) and regularly appears on numerous true crime related television shows for Oxygen, ID, Reelz, Starz, and Spike television networks. Dr. Pettler is the host and co-executive producer of *Notorious: True Crime Stories with Laura Pettler* nominated in 2017 for Best Director by the International Academy of Web Television Awards. Dr. Pettler's career is dedicated to using her life to make a difference and leaving the world better than she found it.
